

Living Water Adopt-A-Child Sponsorship Programme

Adopt-A-Child is a Christian Sponsorship programme working hand in hand with sponsors across the world to provide food, medical and dental care, pastoral and practical care, a spiritual hope and a future for thousands of under-privileged children in Guatemala and Albania.

Together we are "Changing the World... One Child at a Time"

- The feeding and care programme is Christian, with its associated values and ethics
- Children receive good nutritional meals
- Children receive basic dental and medical care
- Only 10% of the monthly sponsorship is deducted for administration costs in the UK
- Only one family/group/individual can sponsor any given child – no multiple sponsorships
- The sponsor can build good relationships with his/her child
- It only costs £18/€20 per month to sponsor a needy child

Alternative Gifts

This Christmas share joy and hope not only with your family and friends but also with a needy child by giving a gift that makes a long term difference and changes lives.

Choose your gift from the range below, complete the order form and we will send you a card together with a description of the gifts you have bought.

Food Parcels – £5/€6

We have started distributing basic monthly food parcels to families living in 4 Albanian villages which are too far from our base to send hot food. We have been sharing the gospel in these villages for many months and it is a privilege to now be able to meet some of their physical needs too.

Chickens – £8/€9

Giving a chicken to a family in Guatemala provides fresh eggs to supplement a poor diet. This is a very practical way of helping a family in need.

Christmas Fund – £10/€12

At Christmas, all of the children attending our programmes, whether sponsored or not, attend a Christmas Celebration. A special Christmas meal is served, the Christmas story is shared and each child receives a gift. There are 10.000 children to buy for! Help us to fund all of this.

Fill Their Plates – £10/€12

We feed every child who comes to our programmes, whether they have a sponsor or not. Help us to continue to provide hot, nutritious meals.

Special Medical and Dental Needs – £15/€17

We seek to provide free basic medical and dental care for all the children attending our programmes. However many need extra treatment which their families can't afford eg, hearing aids, wheelchairs, operations, expensive medicines. Help us to provide these.

Support a Pastor – £20/€24

We provide pastoral care for the families we work with and employ pastors to oversee our churches. Help us to provide financial support to these pastors so they can care for their families. If your church would be interested in formally supporting a pastor, please get in touch.

Sponsor a child for one year – £216/€240

At any one time, we have approximately 3000 children attending our programmes who do not have a sponsor. They receive the same food and care as the sponsored children – we never turn a child away. Help us to continue doing this by sponsoring a child for one year.
